Statement of intent

Vickerstown Primary School believes that a strong PSHE education is important to help our pupils develop into well-rounded members of society, who able to make a positive contribution to their community. At Vickerstown Primary School our PSHE curriculum is strongly tied to our sex and relationship education (SRE) and pastoral care programme.

The vision for pupils, staff and others linked to our school is to always look to achieve our personal best in every aspect of school life.

Our school is one where everyone is encouraged and supported to achieve their personal best.

Our school is welcoming, inclusive, has a real community feel and is a place where everyone is valued.

Our pupils and staff treat each other equitably, fairly, with kindness and with mutual respect. At all times, staff and pupils are encouraged to show a high regard for the needs and feelings of others through their actions and words.

Our pupils and staff are enterprising and approach challenges with a 'can-do' attitude.

The needs and interests of all pupils, irrespective of gender, culture, ability or aptitude, will be promoted through an inclusive and varied PSHE curriculum at our school.

Our environment is safe and clean with everyone sharing responsibility for it.

Our culture is one of continuous improvement, creativity and enthusiasm.

Parents and carers will be informed about the policy via the school's website where it, and the PSHE and SRE curriculum, will be available to read and download.

This policy will be used alongside Behaviour Policy, Anti-Bullying Policy and Sex and Relationship Education Policy and Child Protection Policy, in order to ensure a comprehensive PSHE education.

1. Key roles and responsibilities

The governing body has overall responsibility for the implementation of the school's PSHE Policy.

The governing body has overall responsibility for ensuring that the PSHE Policy, as written, does not discriminate on any grounds, including but not limited to, ethnicity/national origin, culture, religion, gender, disability or sexual orientation.

The governing body has overall responsibility for reviewing the PSHE Policy annually.

The Head Teacher, **Mrs Michelle Phizacklea**, has responsibility for handling complaints regarding this policy, as outlined in the school's Complaints Policy.

The Head Teacher will be responsible for the day-to-day implementation and management of the PSHE Policy.

The PSHE Co-ordinator and school Counsellor, **Mrs Kim Robinson**, is responsible for liaising with other staff and professional agencies to devise a suitable scheme of work to ensure a comprehensive PSHE education that achieves the aims laid out in this policy.

As required by statutory guidance, the governing body and Head Teacher will consult with parents to ensure that the SRE and PSHE policies reflect the needs and sensibilities of the wider school community.

Vickerstown Primary School will work with parents and carers throughout the year and will ensure that parents are routinely kept informed about their right to withdraw their children from PSHE and SRE education.

We will ensure that pupils are also involved in the creation of this policy through regular feedback and suggestion forms and/or class discussions.

2. Aims of the PSHE curriculum

Pupils will learn to:

- Understand what constitutes a healthy lifestyle.
- Understand safety issues, both in real life and online.
- Develop responsibility and independence within school which they will take forward into society in their working lives.
- Respect other people, in particular, learning to respect the different cultural/ethnic/religious/gendered viewpoints of others in our school community and the wider world.

- Understand what constitutes 'socially acceptable' behaviour at school and in society.
- Be a constructive member of society.
- Understand democracy.
- Develop good relationships with peers and adults.

- Make positive, informed choices as they make their way through life.
- Understand that they have a right to speak up about issues or events, and to respect other's right to do the same.
- Pupils' questions will, unless inappropriate, be answered respectfully by the teacher.

3. Teaching methods and learning style

A range of teaching and learning styles will be used to teach PSHE.

Teaching will be pupil-led and there will be an emphasis on active learning techniques such as discussion and group work.

No crude language.

No raised voices/shouting.

No talking over people.

Show respect for another's views, even when disagreeing with them.

Keep comments subject-specific, as opposed to personal.

'Ice-breaker' activities and clear ground rules regarding discussions will be put in place in order to ensure a safe, supportive and positive learning environment.

Pupils will learn research and study techniques and have the opportunity to engage in investigations and problem-solving activities.

All pupils will be encouraged to take part in charity work and volunteering, as well as organising school events such as assemblies and open evenings.

We will use visiting speakers, such as health workers and the police, to broaden the curriculum and share their real life experiences. Any such speakers must be closely monitored by the class teacher who should use their professional judgement to end a speech if they consider it to contravene any of the aims of this policy or the values of our school.

We will consult with the local community on matters related to PSHE to ensure that local issues are covered in lessons.

4. Reporting and confidentiality

Every lesson should reinforce that, if pupils have any personal concerns or wish to talk about any of the issues raised in the lesson; they should feel comfortable consulting their teacher or another member of staff about this.

Pupils will be encouraged to have an open dialogue regarding any such issues with their teacher but must understand that their teacher may not be able to keep certain information confidential, for example, where there are safeguarding issues raised. When a pupil does wish to speak to a teacher about any such issue, the teacher should ensure that the pupil is aware of this responsibility.

5. Tailoring PSHE

Discussion and other activities will be used in initial PSHE lessons in order to ascertain 'where pupils are' in terms of their knowledge and understanding of various subjects. The teaching programme will then be adjusted to reflect the composition of the class with regard to this.

Teaching will take into account the ability, age, readiness and cultural backgrounds of all young people in the class and will be tailored accordingly.

Adaptations will be made for those for whom English is a second language to ensure that all pupils can fully access PSHE educational provision.

All pupils with special educational needs will receive PSHE education, with content and delivery tailored to meet their individual needs.
